

# **Direct IEEE PDF Generation Test**

Dr. Test Author

*Test University Computer Science Department*

**Abstract**—This paper demonstrates direct IEEE PDF generation using ReportLab with exact specifications from the Word document generator. The layout maintains perfect two-column formatting with proper typography and spacing.

**Index Terms**—IEEE format, PDF generation, two-column layout, direct conversion

## **I. INTRODUCTION**

This test demonstrates that we can generate IEEE-formatted PDFs directly using the same specifications as our Word document generator.
